

Villa Nawang Wulan Entertainment

DVD Collection

Villa Nawang Wulan has probably the largest private collection of genuine DVD's in Bali. Guests of the villa are welcome to select the movie or TV series of their choice from the index list.

Please assist the villa staff in to book the DVD's in and out of the collection.

Let the villa staff know if you would like to look through the covers to help make your selection.

Please note that pirated DVD's from the shops in Kuta and Legian will often not play correctly on the equipment in the villa.
